

PANIC MADONNA

take out the
c (she often
tries not to see)
take the i in
side and you're
left with pain

WORD MADONNA

with just a
twist of a
letter she
can wound you
drown you
wad your
rod order you
row you she'll
be your worm
wood wow you
and leave you
full of woe

MADONNA OF THE VINES

tangles and
climbs you

moist a little
clingly she
can choke you

WORMWOOD MADONNA

heats up your blood
makes you high

see what
isn't there
